- **An account manager to have visited you on site,** to confirm preparation and install guidelines are being followed.
- **Provide images and installation day sheets** of each project to Vuba of finished installations, so we can continue to build up a portfolio of your work.
- For a job specific warranty we need a **completed installation day sheet.**
- Provide **exceptional customer service** and **thorough aftercare.**

What does it mean to be a **Vuba Approved Installer?**

- As an approved installer, you will have collaborated with Vuba for at least 10 months, during which we've built a strong, mutually beneficial partnership aimed at growing both businesses. You'll gain access to exclusive tools designed to help you secure more projects and enhance your company's marketing efforts, with our support in growing your brand. Additionally, you will receive qualified leads and a range of resources to assist in your business growth.

Benefits

- Access to media days, merch and enhanced marketing materials.
- Discounted sample cases.
- Approved sample cases with your company logo.
- Vuba approved installers will benefit from Vuba qualified leads and have the backing of being Vuba Approved to secure them.
- Benefit from Vuba approved marketing materials at your disposal.
- End of the year UK based trip.
- 1x free training course place a year.
- Access to A boards with Vuba and company logo on.

Disclaimer: If at any points the criteria for any category is broken, the title is then removed from the installer and the process begins again. Taking all factors into account, the decision to award contractor-approved status would ultimately rest at the discretion of the account manager.
